NEW YORK

ONE TOO

11 Howard (right) is Space Copenhagen's first US project. The collaboration with Anda Andrei Design brings Scandi style to Soho. The socially conscious hotel also donates a portion of room rates to charity. designhotels.com

SCARF FACES

Floral prints from Gucci (above right) and statement animal motifs at Balenciaga (left) lead us into spring with the ideal mid-season accessory: the silk-travell scarf. net-a-porter.com

A SHORT STAY

with

SERDAR KUTUCU

{ Brand VP, Design Hotels }

Favourite travel experience?

Having my first swim in the Mediterranean sea when European summer begins.

Essential travel accessories?

Swim shorts, ready for a chance to jump into the sea, a lake or the pool. Hottest hotel at the moment? Hotel Hotel in Casberri! It's like a cultural hub with rooms. Favourite design pieces from abroad? Woven rugs from Turkey. How does travel influence your work? Travel is about diving into another culture to explore how the locals live. Design Hotels is also all about authentic experiences. Ultimate travel destination in 2016? I'd like to spend this summer in Portugal and discover the regions. designhotels.com

PARIS
IN DEEP

An unusual recent addition to the River Seine, OFF (left) is a glamorous 58-room floating hotel and bar designed by Gérard Ranzatti of Seine Design. OFF lets the imagination off the leash, allowing guests to experience a stay in Paris in an exciting new way. offparisseine.com
