UPCOMING

SAT 12 MAR FOOD **WORKSHOP**

Knife Making and Preserving.

Learn three preserving techniques – salting, pickling and fermenting with Monster head chef Dan Flatt. Sharpen your own knives on specially sourced mountain stones with Cheng Fei. Appreciate handmade blades and find out how knives are made with metal smith Rowan McLachlan of Rowsaan.

SAT 26 MAR FOOD **WORKSHOP**

Oyster Appreciation.

Make your own shucker with Alison Jackson. Learn how to shuck like a pro with Steve Feletti from Moonlight Flat Oysters. Discover how to bring out an oyster's delicate flavour with Monster kitchen and bar head chef Dan Flatt. Taste lots of oysters. Eat lunch. A good day.

SAT 09 APR **WORKSHOP**

The Art of Kintsugi.

Learn the art of Kintsugi – a Japanese technique for repairing smashed or chipped pottery where the damage is celebrated as a part of the objects history with ceramicist Naomi Taplin who makes the dishes you can eat off at Monster.

SAT 16 APR **WORKSHOP**

Repair. Remake. Swap.

Clothing waste is a big problem, created by fast fashion. This event is a meeting place for our loved yet neglected clothing to be repaired, remade or swapped. Bring an old item and leave with a piece you can love all over.

SAT 30 APR KIDS **WORKSHOP**

Invent an Instrument.

Assemble an instrument from waste, install an immersive sound environment and play in a robotic orchestra with Melbourne artist Dylan Martorell.

SAT 01 MAY **WORKSHOP**

Ghost Net Weaving.

Learn traditional weaving techniques from artists from the Torres Strait. Facilitated by Lynnette Griffiths, the Artistic Director of Erub Arts, in conjunction with Melanie Katsalidis from Pieces of Eight. Together you will make a large-scale woven artwork from ghost net – harmful fishing nets that have been left in the ocean by fishermen.
